**ACADEMIC APPOINTMENTS**

**University of Pennsylvania**

*Department of Medical Ethics (School of Medicine)*

Assistant Professor of Medical Ethics (tenure track 1995-)

Associate Director for Education (1997-)

Acting Director of Graduate Studies (1995-97)

*Department of Philosophy*

Assistant Professor (2001-)

*Leonard Davis Institute for Health Economics (Medicine & Wharton School)*

Senior Fellow

*Department of History and Sociology of Science*

Assistant Professor & Graduate Group Member

*School of Nursing*

Graduate Group Member

**Georgetown University**

Senior Research Fellow, Kennedy Institute of Ethics

**Dartmouth College**

Associate of the Ethics Institute

**PRIOR ACADEMIC APPOINTMENTS**

**King's College London**

Senior Visiting Scholar of Medical Ethics & Law (Jan.-May 2000)

**Department of Philosophy, Villanova University**

Distinguished Visiting Professor of American Philosophy (1997-98)

**University of Massachusetts Dartmouth**

Director, Center for Applied and Professional Ethics (1994-95)

Assistant Professor of Philosophy (tenure track, 1994-95)

Senior Research Associate, UMass Center for Policy Analysis (1994-96)

**EDUCATION**

Post Doctoral Fellow, **NIH National Human Genome Research Institute**,

University of Iowa Chromosome 22 Lab, Molecular Genetics

Ph.D., **Vanderbilt University**, Philosophy (AOS: American

Philosophy). Dissertation: "Pragmatism & Human Genetic Engineering" (under

John Lachs, Richard Zaner, Michael Hodges, Jean Bethke Elshtain, and

Richard Lewontin (Harvard))

M.A., **Vanderbilt University**, Philosophy

B.A., **Baylor University**, Philosophy & Environmental Studies;  
Outstanding Young Alumnus

## EDITORSHIP

### **(Founding) Editor-in-Chief, *The American Journal of Bioethics* 1999-**

A quarterly, peer-reviewed journal published by **The MIT Press**, Cambridge, Massachusetts. Indexed in BIOSIS, CINAHL, EBSCO Academic Search Premier, ISI, PAIS International, Pubmed, MEDLINE, Philosopher's Index, Cambridge UP Indices: Sociological Abstracts, Social Services Abstracts, Worldwide Political Science Abstracts and Linguistics & Language Behavior Abstracts. Full text available on LEXIS and at <http://bioethics.net> (average readers/month: 75,000; average hits/month 3-4 million). Editorial board of 50 senior scholars; collaboration and funding from other major journals and from the Greenwall Foundation. Reviewed by *JAMA*, *Science*, *Nature*, *Nature Medicine*

Elected Member: World Association of Medical Editors 2002-  
Council of Editors of Learned Journals 2002-  
Council of Editors of Scientific Journals 2002-

Series Editor, Bioethics Book Series, The MIT Press & Bradford Books

Associate Editor, *Theoretical Medicine & Bioethics* 1997-

Special Section Editor, "Breaking Bioethics" (Regular section on emerging research and its implications for bioethics, philosophy of medicine and the social sciences) *Cambridge Quarterly in Healthcare Ethics* (1998-).

Editorial Board: *Law and the Human Genome Review* 1998-2000  
*New Genetics and Society* 1999-  
*Human Reproduction and Genetic Ethics* 2000-  
*Stem Cells* 2000-  
*Bioethics* 2001-  
*Cambridge Quarterly of Healthcare Ethics* 2001-  
*Genomics World: Advances in Biotechnology* 2001-  
*Politics and the Life Sciences (Journal of the Association for Politics and the Life Sciences)* 2001-  
*The New Review of Bioethics* 2002-  
*American Journal of Human Genetics* 2003-  
*Pragmatism and American Philosophy* 2003-

Peer Reviews for 18 medical, scientific & philosophical journals & 16 scholarly presses including *New England Journal of Medicine*, *JAMA*, *Journal of Clinical Ethics*, *Lancet*, *Nature*, *Nature Biotechnology*, *Nature Genetics*, *Journal of Medicine and Philosophy*, *Annals of General Internal Medicine*, Oxford University Press, Yale University Press, Harvard University Press, Cambridge University Press, Prometheus Press, Kluwer

## BOOKS AUTHORED

**McGee, G.** *Being Genomic*. New York: William Morrow (HarperCollins), under contract, written, edited, and in production for publication in May, 2003.

**McGee G.** *The Perfect Baby: Parenthood in the New World of Cloning & Genetics (Second Edition)*. New York: Rowman & Littlefield, 2000. **\*Second Edition Reviewed** in *JAMA*. First edition 1997. **\*First Edition Reviewed** in *Ethics, Annals of General Internal Medicine, Philadelphia Inquirer, Nature Medicine, Los Angeles Times, Choice, Theoretical Medicine, American Philosophy, Newsletter on Philosophy and Medicine, Teaching Philosophy, Journal of General Internal Medicine, Religious Studies Review, Cambridge Quarterly in Healthcare Ethics, Politics and the Life Sciences, Bioethics* and 17 other journals & dailies. **\*\*Chapter 5 anthologized** in *Health Care and the Law* ed. Robinson, Berry, McDonnell (1998).

## BOOKS EDITED

**McGee, G., Saito, K., eds.** *The New Immortality: Science and Speculation about Extending Life Forever*. Berkeley: Berkeley Hills Books, under contract for publication in fall 2002 (UK printing, New Harbinger Publications 2002).

Magnus, D., Caplan, A., **McGee G., eds.** *Who Owns Life?* New York: Prometheus Books, May 2002.

**McGee G., ed.** *Pragmatic Bioethics (Second Edition)* The MIT Press, 2002. First edition published in the Classics in American Philosophy series of Vanderbilt University Press, 1999. **First Edition Reviewed in** *Journal of Contemporary Health Law and Policy, Cambridge Quarterly in Healthcare Ethics*. **\*\*Special sessions** at American Society for Bioethics and the Humanities (1998 Annual Meeting), American Philosophical Association (both Eastern 1998 and Central 1999 division meetings), World Congress of Philosophy 1998.

**McGee G., ed.** *The Human Cloning Debate (Second Edition)* Berkeley: Berkeley Hills Books, 2000. (Translation in progress to Japanese) First edition published 1998. **\*First Edition Reviewed** in *Choice, New Genetics and Society, Cambridge Quarterly in Healthcare Ethics, Hastings Center Report, Social Science & Medicine*.

- **Herndon Lecture in Ethics**, Emory, November 1997
- **Shernburg Debates**, University of Montana, November 1997
- **Casston Lecture**, Iowa State, October 1997
- **Residents' Series Lectureship**, Univ. of Michigan, January 1997
- **ConEd Bioethics Lectures**, Columbia, December 1996
- **Haverford Bioethics Lectureship**, Haverford College, November 1996
- **Science and Philosophy Tomorrow Lectures**, Bryn Mawr, Oct 1996
- **Philosophy Speakers Series**, Temple University, October 1996
- **All Campus Lectures**, Kutztown University, April 1996
- **Conley Humanities in Medicine Seminar**, SUNY Downstate, Feb 1996
- **New Century Lecture**, Univ. of Tennessee at Chattanooga, Feb 1995
- **CAPE Lectures**, California State University-Chico, Feb 1994

#### INTERNATIONAL LECTURES

- **Dubai Strategy Forum Keynote**, UAE November 2001
- **Lent Lecture, Kings College** London England February 2000
- **Aviero 21<sup>st</sup> Century Lectures**, Porto, Portugal January 2000
- **SmithKline Beecham EAB Lecture**, England July 1999
- **Distinguished Lecturer, University of Bergen**, Norway April 21 1998
- **Biotechnology Lectures at Bio of Oslo**, Oslo Norway April 24 1998
- **University of Helsinki & NPHI Finland** April 1998
- **UNESCO Asian Bioethics Conference Lecture** Kobe Japan Nov. 1997
- **Cloning and Bioethics, London UK Alumni Summit** September 1997
- **Cloning in Brazil: Ethics & Policy**, *Fohla de São Paulo*, June 1997
- **Eugenics, Van Leer Institute** Jerusalem May 1997
- **Universidad Puerto Rico Distinguished Lectureship** April 1997

## GRANT SUPPORT

- Principle Investigator on a major grant to develop and study the use of Internet technology in medicine and bioethics (“BEN project”). 2002-2005.
- Matching grant for Grant above. 2002.
- Principle Investigator, develop an evaluation program for pedagogy in bioethics. 2002-2005.
- **United States Department of Education.** Principle Investigator, study and develop curriculum for high school bioethics. 2001-02.
- Principle Investigator, Presidential Grant "Bioethics on the Internet: A Pilot." 2001-02
- Co-Investigator, "Ethical Issues in Mapping the Brain" project, to examine the ethical and social issues associated with wide-scale investigation and exploitation of the overall structure and function of the brain. 2000.
- Co-Investigator, "Who Owns Life" project, an interdisciplinary analysis by fifteen leading scholars of questions about the patenting and commodification of biological materials and life forms. 1999.
- **Fellowship in Public Policy.** Career development award made competitively to 10 scholars each year in appreciation of the U.S. role in World War II, this fellowship funds research that will lead to collaboration and understanding between the two nations. Proposal: “conduct comparative study of technologies and attitudes concerning assisted reproduction during spring, 2000.” 1999.
- Co-Investigator to study ethical issues in pharmaceutical benefits management and develop ethical standards for review of formularies and disease management programs. 1999
- Project Director content analysis of media coverage of major issues in genetics and reproduction, and production of potential program for public education in genetics and for genetics and ethics research. 1999
- Co-Investigator (unrestricted gift for research, travel support) Study of ethical issues in the Icelandic Database of genetics, medical information and genealogical data and publication of major papers and a book about conclusions. 1999
- "Research on Vulnerable Women, Children and Families," **National Institutes of Nursing Research**, co-investigator, University of Pennsylvania Research Team (training grant) 1998.
- Co-P.I. and Research Team Director, “Ethics Committees & Consultation In America: The First National Study,” to study ethics committees and managed care in Philadelphia and to

conduct a second, major, national study of ethics committee activity around the nation 1997-98.

- Co-P.I. and Project Director, “Web Ethical Resources in Gene Therapy” grant to create worldwide web ethics & genetics resource 1996-97.
- Summer **NIH Postdoctoral Fellowship** to fund postdoctoral study in Ethics and Genetics at University of Iowa 1995.
- 1997 **Fellowship** in market issues in medicine and research. (declined due to commitment load)
- P.I., “Physician Roundtable in Ethics,” to design an ethics training program for physicians, 1995.
- P.I. on Grant entitled “Health Services/Health Curriculum Inventory & Suggested Reforms Analysis..,” to coordinate the design of a complete health reforms package for a school system 1995.
- Summer Scholar to participate in the Liberty and Society workshop and research “market issues in health care”.

#### **FELLOWSHIPS & GRANTS DURING GRADUATE STUDY:**

- **Fellow**, Center for Clinical and Research Ethics, Vanderbilt
- First Recipient, **Dissertation Enhancement Fellowship in Social and Political Thought** from Jean Bethke Elshtain’s Vanderbilt Program in Social and Political Thought, to research “Social and Political Issues in Human Genetics,” at Harvard University
- “Healthcare and Ethnicity in America,” **Summer Study Grant** from Institute of American Studies of Vanderbilt Department of English

**PEER REVIEWED PAPERS PRESENTED AT MEETINGS**

- "The Philosophical Standing of the Stem Cell," American Society for Bioethics and the Humanities, October 2002
- "The Danger of Ethics Advisory Boards," Association for Politics and the Life Sciences, January 2002
- "Do IVF Parents Care About Genotypes or Phenotypes?" Society for Medical Decision Making (with Andrea Gurmankin), October 2001
- "Teaching Bioethics Through the Writing of Legislation," American Society for Bioethics and Humanities, October 2001
- "Conflict of Interest in Funding Bioethics," American Society for Bioethics and Humanities, November 2000
- "The 'Specific Technique Standard' For Gene Therapy Clinical Standards," American Society for Bioethics and Humanities, November 2000
- "The Meaning of Mutation" International Society for the Social, Historical and Philosophical Studies of Biology, Oaxaca, Mexico, July 1999
- "Cloning as an Instance of Pragmatic Bioethics" APA Eastern Division, SAAP Session, Washington, December 1998
- "Pragmatic Method as an Historical Phenomenon in Ethical Decisionmaking" American Society for Bioethics and Humanities, November 1998
- "Pragmatic Bioethics," World Congress of Philosophy Meeting, Boston, August 1998
- "Privacy, Property and Family in the Age of Genetic Testing," Harvard Journal of Law and Technology Conference, May 1998
- "Adoption as a Model for Human Cloning," American Academy for the Advancement of Science, February 1998
- "Philosophy and the Web," American Philosophical Association, December 1997
- "Philosophical Problems with Genetic Testing by State Agencies," American Public Health Association Special Session on Bioethics, November 1997
- "Prozac or St. John's Wort for Everyone? A Philosophical Analysis of Current Expansion in SSRI Treatment and Alternative Medicine for Cognitive Enhancement," American Association of Bioethics, November 1997

- “Ethics and Managed Care: The Philadelphia Story,” American Association of Bioethics, November 1997
- “Philosophical Justifications for Screening Services,” American Association of Bioethics, November 1997
- “Computers in Ethics,” Computing and Philosophy Conference, Carnegie-Mellon University, August 1997
- “Dewey vs. Husserl on the Role of Natural Science in Justifying Values,” Pennsylvania Philosophical Association, December 1996
- “But She Consented? Informed Consent in Public Health Settings,” American Public Health Association, New York, November 1996
- “The Implications of Classical Eugenics for Genetic Enhancement,” World Congress of Bioethics (mega meeting), San Francisco, November 1996
- “Genetic Diagnosis: Its History and Trajectory” Tuskegee Conference on the Human Genome Project, September 1996
- “Ethical Issues in Managed Care: The Future,” Robert Wood Johnson/HCFO Managed Care Meeting, Washington, September 1996
- “The Value of Consensus: The World’s First Useful Committee Meeting,  
” (with Monica Arruda) American Association of Philosophy Teachers, August 1996
- “Genetic Enhancement,” 8th Annual Summer Bioethics Retreat, June 1996
- “Philosophical Issues in Genetic Enhancement,” American Philosophical Association (Pacific Division Meeting of Philosophy & Medicine Section), April 1996
- “The Future of Philosophical Bioethics: Reproduction” Society for the Advancement of American Philosophy, March 1996
- “Spare the Genes, Spoil the Child: Parenthood as Matrix for Enhancement,” Hastings Center Genetic Enhancement Conference, December 1995
- “Feminist Approaches to Genetics and Reproduction: Where’s the Scholarship?” Nursing Ethics In The Future Conference, Penn School of Nursing, September 1995
- “The Direction of Thinking in Merleau-Ponty’s Axiology,” Southern Society for Philosophy and Psychology, April 1995
- “Dewey’s Political Method” Society for the Advancement of American Philosophy, Bentley College, March 1995

- “Paper Shields: The Real Problem with Living Wills” Conference on Ethics and Communication, University of Massachusetts Boston, October 1994
- “Pragmatism and Human Genetic Engineering” Society for the Advancement of American Philosophy, Rice University, March 1994
- “Method and Social Reconstruction” Harvard-MIT Graduate Philosophy Conference, November 1993
- “The Self-Reflexive Truth of Pragmatism” Annual Meeting of the Central States Philosophical Association Conference, October 1993
- “Merleau-Pontean *Ethics?* Intimations of a Different Phenomenology of Value,” 18th Annual International Conference of the Merleau-Ponty Circle, Sept 1993
- “Engineering Valuation: Pragmatism Reads Human Genetics” Pragmatism and the Politics of Culture, University of Tulsa, March 1993
- “Skepticism and the Right to Believe: Some Responses” 20th Anniversary Meeting of the Society for the Advancement of American Philosophy, March 1993
- “The Ethics of Genetic Screening for Health Insurance” Mid-South Philosophy Association Conference, February 1993
- “Medical Language is a Foreign Language: Political and Pedagogical Questions” Society for Health and Human Values Annual Meeting, November 1992
- “Clinical Ethics: The Challenge for Teaching Healthcare Ethics” Society for Health & Human Values Annual Meeting, St. Louis, October 1991
- “Food & Ethics” The International Globalization of the Agriculture & Food Order Conference, University of Missouri, June 1991
- “Novel Character: Fiction & Ethics” N. Texas Philosophical Association, April 1991
- “Whitehead and Metamoral Environmental Ethics” First Annual National Applied Ethics Conference, University of Arkansas, April 1991

#### **INVITED PAPERS, TALKS AND PLENARY LECTURES**

- Invited Lecture*, “Issues in Aging” Arkansas Health Associates, Hope, April 2002
- Invited Keynote Lecture*, “Ethical Issues in Assisted Reproduction,” Council on Policy Studies of Integrated America, Arizona

*Invited Plenary Speaker*, "Stem Cells and Internal Medicine" Association of Professors of Medicine, San Francisco, March 2002

*Invited Plenary Speaker*, "Everything You Ever Wanted to Know About Stem Cells" Emory University, February 2002

*Invited Panel Discussion*, "Owning Biological Materials" Emory University, February 2002

*Invited Plenary Speaker*, "Being Genomic" Integris Health Board of Directors Meeting, Arizona, November 2001

*Invited Plenary Speaker*, "The Peculiar Nature of the Stem Cell Dilemma," National Catholic Stem Cell Conference, University of Wisconsin, October 2001

*Invited Plenary Speaker*, "Developmental Biology and Ethics," Association for Politics and the Life Sciences, October 2001

*Invited Plenary Speaker*, "The Stem Cell Debate," National Undergraduate Bioethics Conference, Emory University, October 2001

*Invited Debate*, "Is Ethics Dead?" University of Pennsylvania Honor Council Annual Lecture Series, October 2001

*Invited Debate*, "Genetics: The Appellate Court as Lifeguard at the Gene Pool" American Bar Association Annual Judge's Meeting, New York, October 2001

*Invited Plenary Speaker*, "Stem Cell Research, Ethics and State Law," Johnson & Johnson Board of Directors Meeting, September 2001

*Invited Plenary Speaker*, "Being Genomic," Planned Parenthood Annual National Training Conference, Washington DC, April 2001

*Invited Plenary Speaker*, "The Perfect Storm: HIV and International Clinical Trials," PhRMA International Research Meeting, Naples, FL, March 2001

*Invited Plenary Speaker*, "Why Liberty Isn't Enough," Princeton University Reproductive Technologies Conference, Princeton, NJ, February 2001

*Invited Plenary Address*, "Human Cloning, Yes or No," Rutgers College, New Brunswick, NJ, December 2000

*Invited Debate*, "Ethics and Internet Health," E-Health Forum, Miami Beach, November 2000

*Invited Address*, "Three Hard Cases," Poconos Ethics Conference, November, 2000

*Invited Address, "Why Not Clone? Human Cloning Bane or Blessing," Oak Ridge, TN  
October 2000*

*Invited Talk, "Perfect Babies," Medical College of Wisconsin, May 2000*

*Invited Talk, "Biotechnologies in the Third Millennium," Blinn College, April 2000*

*Invited Address, "Cloning," MACHA, Virginia Beach, November 1999*

*Invited Address, "Stem Cells and Cloning," Poytner Institute for Bioethics, Indiana University,  
May 1999*

*Invited Plenary Address, "Bioethics Teaching and the Teaching of Science," National  
Bioethics Course, Iowa State University, May 1999*

*Invited Plenary Address, "Genetics and Cancer," Shriver Institute, Montana, May 1999*

*Invited Plenary Address, "Stem Cell Research," Pennsylvania Biotechnology Association,  
April 1999*

*Invited Plenary Address, "Nursing and Genetics," New York University, April 1999*

*Invited Talk, "Teaching Clergy About Bioethics," Christian Life Commission, Dallas, April  
1999*

*Invited Talk, "Research Integrity: Some Basics," Emory University Health Sciences Center,  
June 1998*

*Invited Talk, "Genetics," Iowa State University School of Veterinary Medicine, May 1998*

*Invited Plenary Address, "Cloning on the Internet, Families by Netscape," Annual Meeting of  
the National Medical Libraries Association, May 1998*

*Invited All-Campus Plenary, "Making Copies: Cloning and Reproductive Technology,"  
Brookdale Community College, New Jersey, April 1998*

*Invited Talk, "Psychological Orientation and New Reproductive Technologies, University of  
Pennsylvania Department of Psychiatry, April 1998*

*Invited Plenary Address, "Genetics and the Perfectable Child," University of Illinois/Chicago,  
April 1998*

*Invited Plenary Address, "Ethical Issues in ICSI: A Genetic Time Bomb?" American  
Andrology Association, Los Angeles, March 1998*

*Invited Plenary Address*, “Bioethics on the Web,” Medical Librarians Association of Philadelphia, March 1998

*Invited Plenary Address*, “21st Century Reproduction: A Guide,” Pennsylvania Hospital Ethics Symposium, March 1998

*Invited Presentation*, “What We Say About Genetic Tests When Disease Is Not Present,” Bioethics Resource Group Annual Meeting, Charlotte NC March 1998

*Invited Presentation*, “Parenting Today and Tomorrow,” Barnes & Noble, Manhattan and Marlton, NJ, October 1997

*Invited Presentation*, “Cloning and Ethics,” Westchester University, April 1997

*Invited Plenary Address*, “Nursing and Managed Care,” AFT/American Nursing Association Summit on Managed Care, April 1997

*Invited Presentation*, “Ethical Issues in the Future of Genetics,” University of South Carolina Department of Philosophy, February 1997

*Invited Presentation*, “Ethics Committees and Managed Care in Philadelphia,” American Association of Health Plans Conference on Managed Care Ethics, Philadelphia, January 1997

*Invited Presentation*, “Biotechnology Industry Concerns and the Conduct of Science,” Emory University Hughes Foundation Science Workshop, Atlanta, June 1996

*Invited Presentation*, “Genetic Enhancement,” Emory University Center for Ethics and the Professions, May 1996

*Invited Presentation*, “Technology Transfer and the Future of Research from a Philosophical Perspective,” Temple Univ. Science Series in Ethics, January 1996

*Invited Presentation*, “The Theological Genealogy of Clinical Ethics,” Chaplaincy Residency Program, Hospital of the University of Pennsylvania, October 1995

*Invited Presentation*, “The Status of Genetic Engineering in Medicine,” The University of Pennsylvania Center for Bioethics, March 1995

*Invited Presentation*, “Pre-medical Humanities and the New Medical School Admissions Problem,” University of Massachusetts Boston Premedical Honor Society, October 1994

*Invited Presentation*, “Life and Art; Art and Life—Dewey’s Aesthetics,” to the Belmont University Philosophy Club, March 1994

*Invited Co-Presentation*, with Eric Juengst (Director of the Program in Ethical, Legal, and Social Issues of the Human Genome Project), “Issues in Funding of Ethical Research in Genetics,” Washington D.C., November 1993

*Invited Presentation*, “Genetics and Parenthood,” to the Round Table in Clinical Ethics, Vanderbilt School of Medicine, September 1993

*Invited Presentation*, “Debating Health Policy,” to Vanderbilt Debate Squad, March 1993

*Invited Presentation*, “Teaching Medical Ethics: A Review of the Literature” Vanderbilt Graduate Research Colloquium, February 1992

## **GRAND ROUNDS**

University of Pittsburgh Medical Center, September 2002

Brigham & Women’s Hospital, January 2002

Pocono Medical Center, October 2001

Hospital of the University of Pennsylvania, April 2001

Delaware Academy of Family Physicians, February 2001

Montana Cancer Center, March 2000

St. Francis Health System, St. Louis MO, August 1999

Holy Cross Health System of Mizzoula, June 1998

University of Connecticut Health System, May 1998

Cleveland Clinic, April 1998

Penn State Geisinger Health System, April 1998

Northeast Medical Center, Charlotte NC, March 1998

Atlantic City Medical Center, January 1998

Brandywine Hospital, October 1997

DuPont Children’s Hospital, October 1997

Chestnut Hill Hospital, October 1997

Allegheny University for Medicine, September 1997

Methodist Hospital, September 1997

St. Agnes Hospital, May 1997

Valley Forge Medical Center, May 1997

Doylestown Hospital, May 1997

Thomas Jefferson Hospital/Medical School, Philadelphia, November 1996

Mongomery Hospital/Fox Chase Cancer Center, Philadelphia PA, Oc 1996

Susquehanna Health System, Harrisburg PA, May 1996

Lankenau Hospital, Philadelphia PA, March 1996, November 1997

Presbytyrian Hospital, Philadelphia PA, February 1996

Bryn Mawr Hospital, Bryn Mawr PA, December 1995, Oct 1997

Cooper Hospital, Camden NJ, December 1995 and September 1996

Allegheny General Hospital, Main Campus, Pittsburg PA, October 1995

St. Luke’s Hospital, New Bedford MA, January 1995

Enloe Hospital, February 1994

## **PUBLIC SERVICE PRESENTATIONS**

*Invited Keynote Speaker*, “Planning Parenthood in the 21<sup>st</sup> Century” Planned Parenthood Annual Meeting, Washington DC, June 2002

*Invited Speaker*, Clergy Leadership Project, Hartford, CT, January 2001 & March 2002

*Invited Speaker*, "Bioethics and the Church" Trinity Conference Center for the Episcopal Diocese of the United States, July 1999

*Invited Speaker*, "How to Deal with Bioethics," Congressional Research Service Orientation Lecture for New Members of Congress, January 1999

*Invited Speaker*, “Genetics and Reproduction,” Abington Presbyterian, January 1998

*Invited Speaker*, "Boundaries and Connections: Bioethics as a Public Institution," University of Pennsylvania Political Theory Conference, April 14th 1997

*Invited Speaker*, “The Penn Gene,” University of Pennsylvania Alumni Association Lectures in Orlando and Ft. Lauderdale Florida, October 1996 and in Metro New Jersey November 1996

*Invited Speaker*, “Seven Deadly Sins of Genetic Enhancement,” Unitarian Universalist Church of Dallas, Texas, November 1995

*Invited Speaker*, “Current Issues in Bioethics,” Chestnut Hill United Methodist Church, Philadelphia, October 1995.

*Invited Speaker*, “The Human Genome Project and Ethics,” United States Justice Department Law Education Pilot Project, Glencliff High School, January 1994

*Invited Speaker*, “Euthanasia and the Problematic Discourse of Rights,” Workshop on Euthanasia Issues, Glendale, Tennessee, October 1993

*Invited Speaker*, “The Moral Questions of HIV: An Election Year Review,” Christ United Methodist Church, Nashville, October 1992

*Invited Speaker*, “Coming of Age in the New Age of Medicine,” Tennessee Young Leadership Conference, University of the South (Sewanee), June 1992

*Invited Speaker*, “Illness as Metaphor: An Introduction to Susan Sontag,” Montgomery Bell Academy AIDS Workshop, March 1992

## **GUEST LECTURES TO CLASSES**

*Invited Guest Lecture*, “Dead Bodies and Respect for the Living in Schools of Medicine”  
University of Maine, Spring 2002

*Invited Guest Lecture*, "Reproductive Modeling and the Cloning Debate," Feminist Bioethics,  
Penn (Ina Roy, Professor), Spring 2001

*Invited Guest Lecture*, "Stem Cells" Penn State University Fall 1999

*Invited Guest Lecturer*, “Ethics and Genetics,” 2 part lecture to Sociology of Bioethics, Penn  
(Renee Fox, Professor), Spring 1997, 1998.

*Invited Guest Lecturer*, “Pragmatism,” Proseminar in Bioethics, Penn (David  
Magnus, Professor), Fall 1997, 1998, 1999, 2000, Spring 2001 (x2), 2002 (x2).

*Invited Guest Lecturer*, “Derrida’s Rejection of Symbolization,” to “Theories of  
Communication,” UMass Boston, February 1995

*Invited Guest Lecturer*, “Ethics and the Environment” to Environmental Economics, UMass  
Amherst, November 1994

*Invited Guest Lecturer*, “Ethical Issues in Aging,” to “Gerontological Politics,” The University  
of Massachusetts Amherst, November 1994

*Invited Guest Lecturer*, “Social Ethics and Suffering,” to “Introduction to Philosophy,” Eckerd  
College, February 1994

*Invited Guest Lecturer*, “Thinking About The Human Genome Project” to 4 sections of  
“Bioethics,” California State University at Chico, February 1994

*Invited Guest Lecturer*, “Homosexuality and Xq28: First Fruits of the Genome Project,” to  
“Medical Ethics,” Tennessee State University, November 15, 1993; also to “Paternalism in  
Medicine,” Vanderbilt University, October 8, 1993

*Invited Guest Lecturer*, “John Dewey: Experience as Aesthetic,” to “American Philosophy,”  
Vanderbilt University, April 7 & 9, 1993

*Invited Guest Lecturer*, “Kant’s Ethics” and “The Metaphysical Foundations of Kant’s  
Ethics,” to “Introduction to Philosophy,” Vanderbilt University, January 17, 1993

*Invited Guest Lecturer*, “Aristotle and Nietzsche: Community and Virtue” to Ethics in Law  
Enforcement, Vanderbilt University, December 10, 1992

*Invited Guest Lecturer*, “Persistent Vegetative State and Pastoral Care” to “Introduction to Christian Ethics,” Baylor University, March 3, 1992

### **CONFERENCES & SESSIONS ORGANIZED**

October 2002; Providence RI: Planned Parenthood Federation of America Eastern Division Meeting **Special Conference on Bioethics and Reproduction.**

November 2001; Ashville NC: Mission St. Joseph's Health System **21<sup>st</sup> Century Bioethics** CME conference on genetics and ethics (with Arthur Caplan).

March 2000; Philadelphia: UPenn conference entitled **Who Owns Life?** Co-organizer.

March 1998; Philadelphia: UPenn conference entitled, **Ethics and Animal Engineering: Should You Clone Your Dog?** Organized and moderated conference.

November, 1997; Indianapolis, IN: (peer reviewed) Session on **Ethics, Genetics, and Public Health** for the bioethics section of the **American Public Health Association** annual meeting

November, 1996; San Francisco C.A.: **Genetics Session** for the **American Association of Bioethics** and International Association of Bioethics, and coordination of **Special Session for Graduate Students and Young Faculty** on Careers and Training in Bioethics.

February, 1996; Toronto: **Special Plenary Session on Pragmatism and Bioethics** for the **Society for the Advancement of American Philosophy**

November, 1993; Washington D.C.: Student Interest Group Meeting of the Society for Health and Human Values. Conceived, designed, and administered two-part meeting of the national graduate student group in biomedical ethics on “**Quality Healthcare.**”

October, 1992; Memphis: Student Interest Group Meeting of the SHHV. Conceived, designed, and administered two-part meeting of the national graduate student group in biomedical ethics on “**Issues in Aging.**”

## **SERVICE IN THE PUBLIC SECTOR**

### ***Bene: The Bioethics Education Network***

CEO and Chair, Board of Directors (2002-)

### **California Cloning Commission, State of California House Committee of HHS**

Commissioned testimony on cloning legislation in renewal of a State ban (2000)

### **Centers for Disease Control**

NHANES IV “Informed Consent in the Fourth National Health and Nutrition Examination Survey” Task Force (1997)

& Genetic Testing Process Working Group (1996-97)

### **The DNA Files & The DNA Files II, National Public Radio**

Advisory Board, (1997-)

### **Evan Donaldson Adoption Institute**

Chair, Advisory Subcommittee on Embryo Donation (2001-)

Member, Ethics Advisory Board (1998-)

### **Food and Drug Administration, U.S. Dept of Health & Human Svcs.**

Molecular and Genetic Devices Panel (1999-)

### **Juvenile Diabetes Foundation International/Diabetes Research Foundation**

Research Advisory Board (1998-)

### **New York State House of Representatives**

Commissioned testimony on "Postmortem Sperm Donation," (November 1997)

### **Pennsylvania House of Representatives**

Commissioned testimony on “Surrogacy: Rights and Protections” (June 1996)

### **Planned Parenthood Federation of America**

National Board of Directors (2002-2005)

National Organizational Strategic Planning Committee (2002-2003)

Bioethics Planning Group (2002-)

### **Rhode Island State House of Representatives**

Principle Consultant for the Bill that Became RI General Law #23-16.4,

A Law Banning the Reproductive Use of Human Cloning Technologies (1998)

### **Seabury Institute for Spirituality and Health**

Board of Directors (1998-)

### **Tennessee Department of Health & Human Services**

CDC/NIH HIV/AIDS Program Review Panel (1991-1994)

**ACTIVITIES IN THE CORPORATE (NON-501C3) SECTOR**

**Advanced Cell Technology, Inc.**

Ethics Advisory Board Member (1999-October 2000 (Resigned))

**HealthSCOUT**

Board of Directors (2000-)

**Corrante Information Services, Inc.**

Board of Directors (2001-)

**SERVICE TO PEER ORGANIZATIONS:**

**American Philosophical Association**

Committee on Philosophy and Medicine (2000-2002)

Advisory Committee to the Program Committee (1999-2003)

**American Bar Association**

Member at Large, Coordinating Group on Bioethics (1997-99)

**American Society for Bioethics and the Humanities**

Co-Chair, Annual Meeting Program Committee (2002-2003)

Affinity Group Committee (2001-02)

**The Hastings Center**

Project on Technologies in the Enhancement of Human Capacity (1995-97)

**International Bioethics Organization**

Board of Directors (2000-); Scientific Advisory Board (2000-)

**Metaphysical Society**

Program Committee (1996-97)

**National Advisory Board on Ethical Issues in Reproduction (NABER)**

Working Group on Ethics in Reproduction (1997-98)

**Society for the Advancement of American Philosophy**

Bioethics Program Advisor (1996-99)

**Society for Health and Human Values**

Program Chair, SHHV Student Interest Group (1991-93)

## **SERVICE TO ACADEMIC INSTITUTIONS**

### University of Pennsylvania

SOM Research Coordinating Council Stem Cell Group, 2002-

Chair, Task Force on Tracks & Appointments, Bioethics 2002-

Director of IT, Bioethics 1996-

Search Committee Chair, LSP, 2001

Provost's Advisory Board on Stem Cell Research, 2001-

University Strategic Planning Group:

Life Sciences Strategic Planning Committee, 2001-

Search Committee, Assistant Director of Grad Studies, 2001

Search Committee, Administrative Director Bioethics, 2000

Director, Undergraduate Concentration in Bioethics, 1998-

Director, Responsible Research Training 1995-96

Director, Bioethics Graduate Admissions Committee 1996-97

Director, 1997 Faculty Search Cmte., Graduate Studies Director

Health Professions Student Advisory Board 1996-99

Committee to Develop the Master of Arts in Bioethics 1996-97

Nursing Ethics Committee 1995-97

Greenwall Empirical Bioethics Steering Committee 1996-00

### University of Massachusetts Dartmouth:

Pre-Medical Advisory Board

Faculty Senate (elected 1995; Departed to UPenn before Term)

Center for Gerontology Program Committee

*Revised, 11/18/02*
